

Polish Embassy in Berlin using ORLEN petrol stations in Germany

Elmshorn, 25 May 2023 – The presentation of an XXL-sized fleet card to the Embassy of the Republic of Poland in Berlin marked the start of a new collaboration with ORLEN Deutschland GmbH. The Polish Embassy’s eight service cars will now be able to refuel at any of the nearly 600 petrol stations run by ORLEN Deutschland throughout Germany. ORLEN Germany is part of the Polish multi-energy group PKN ORLEN S.A.

Oskar Skiba, Chief Financial Officer of ORLEN Deutschland, symbolically presented an XXL fleet card to Dariusz Pawłoś, the Ambassador of the Republic of Poland in Berlin, at the ceremonial first refuelling of the Polish Embassy’s service cars at the *star* petrol station, Brunsbütteler Damm in Berlin. The two of them then joined forces to refuel the ambassador’s service vehicle.

“Cooperating with the Embassy of the Republic of Poland in Berlin is highly significant for us. It shows the close relationship between our group parent company PKN ORLEN and its German subsidiary, ORLEN Deutschland GmbH, with the Polish representation in Germany. We are honoured that Ambassador Pawłoś came to our *star* petrol station in person for us to symbolically present the fuel cards,” says Oskar Skiba, Chief Financial Officer at ORLEN Deutschland.

Each of the Polish Embassy’s eight service vehicles has an ORLEN fleet card for quick and, above all, cashless payments at petrol stations. Billing is done transparently for each car separately on a monthly basis.

“Polish companies that are successful in the German market are our best ambassadors. The Embassy of the Republic of Poland in Berlin is supportive of ORLEN Deutschland’s activities, and today’s event is just one of numerous examples of our cooperation. The company is an outstanding example of the Polish brand in Germany – it is thriving, offers a high standard of service and promotes sustainable development by expanding its offerings to include fast charging stations for electric vehicles,” says Dariusz Pawłoś, Ambassador of the Republic of Poland in Berlin.

star and ORLEN - the petrol stations of ORLEN Deutschland GmbH

ORLEN Deutschland GmbH was founded in March 2003. It is a 100% subsidiary of the Polish multi-energy corporation PKN ORLEN S.A. and part of the international ORLEN Group. The company currently operates nearly 600 *star* and ORLEN petrol stations on the German market. ORLEN Deutschland GmbH, based in Elmshorn, is one of the ten largest petrol station operators in Germany and has been the main sponsor of German handball record champion THW Kiel since 2016.

star and ORLEN petrol stations offer quality fuels as well as their own brand products at an attractive price-performance ratio. Customers also benefit from the B2B-fleet-card and receive additional services such as car washing and parcel services at many stations. Filling stations with '*star* café' and 'stop.café' invite you to take breaks in a feel-good atmosphere and offer coffee specialities, a large selection of tasty meals and hot and cold snacks all day long.
