ORLEN Deutschland provides location guarantee for Elmshorn

Elmshorn, 8 October 2012 – ORLEN Deutschland concludes long-term rental agreement at current location of Elmshorn. In 2013 the company will move its head office to new premises in the immediate vicinity of the Pinneberg district's administrative office.

Since it was founded in 2003, ORLEN Deutschland has successfully operated petrol stations, mostly under the brand name "star", from its head office in Elmshorn. Currently, the total number amounts to more than 560. In future the company will remain faithful to the town. In autumn 2013 ORLEN will move into the former Talkline building located at Kurt-Wagener-Str. 7, just a few hundred metres from its current head office.

"Thanks to the long-term rental agreement, for which Mayfield Asset & Property Management GmbH in Frankfurt provided consulting services and which came about through the mediation of Hamburg-based BNP Paribas Real Estate GmbH, we are strengthening our base in Elmshorn for further growth," explains Wieslaw Milkiewicz, Managing Director of ORLEN Deutschland GmbH. "It was also important to us to provide our employees with an indication of our strong regional roots."

star – a strong brand of ORLEN Deutschland GmbH

star is the petrol station brand of ORLEN Deutschland GmbH, which has operated more than 560 petrol stations in the northern half of Germany since 2003. The company, which has its headquarters in Elmshorn near Hamburg, belongs to the Polish oil and petrochemistry group PKN ORLEN SA, which is the largest Polish company with an annual turnover of 26 billion euros in 2011 and one of the largest Central European groups.

PKN ORLEN SA is listed on the stock exchanges in Warsaw and London and is represented on the petrol station market in Eastern and Central Europe with a total of 2,700 petrol stations in Germany, Lithuania, Poland and the Czech Republic. In recent years, large investments have been made in Lithuania and the Czech Republic to bring the group a step closer to its goal of becoming the leading oil company in Central Europe.
